THE FORCE

This is a prophetical study to reveal the occult side of the Whore of Revelation, Babylon the Great, "the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird." (Rev. 18:2)

My story begins in a small village nestled high in the mountains of one of the Canary Islands, southwest of Spain.

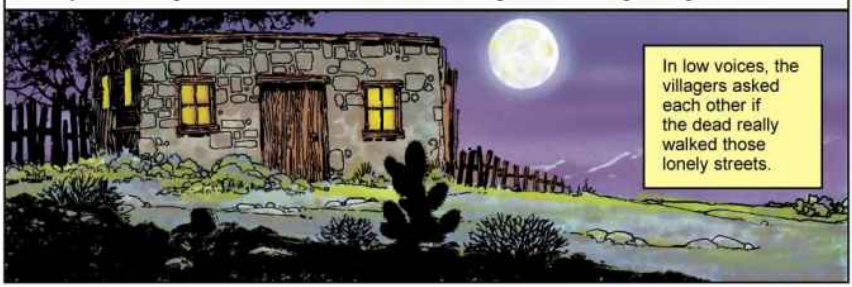
This once-happy village had become strangely quiet at night. People spoke in whispers when the sun went down.

No longer did the people go out in the night hours, and no more songs were sung in the evenings.

Fear gripped the hearts of the villagers. In the afternoons, the shops started closing early.

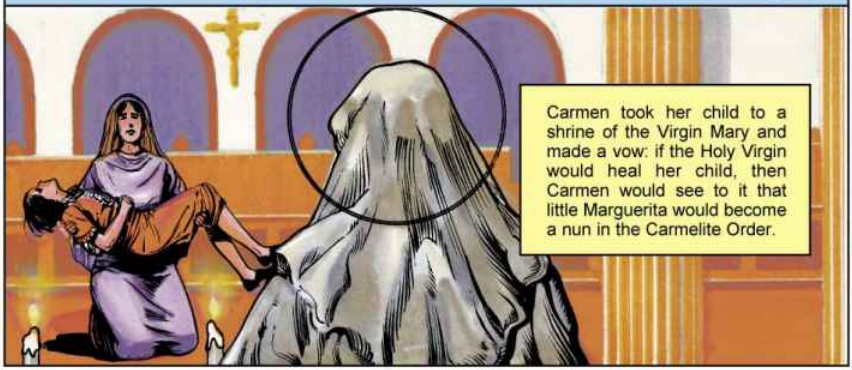
An evil thing had come to their village. Even the animals were frightened.

Strange, unearthly noises were heard coming from the home of a widow, Mrs. Carmen Montez, a very devout daughter of Roman Catholicism. Carmen's nights were turning into nightmares.



Carmen lit her candles and began praying to the Virgin Mary that tonight this horrible thing would not come back. But her heart started pounding, and perspiration broke out on her face. As she turned around, a chill went up her spine, for she could hear the front door slowly opening… the same door she had so carefully bolted shut at sundown. The **thing** was back!

Let's go back a few years to see how this nightmare began. Carmen Montez had a small, 13-year old daughter suffering from uncontrollable epileptic seizures. The doctors told Carmen that there was no cure for little Marguerita.



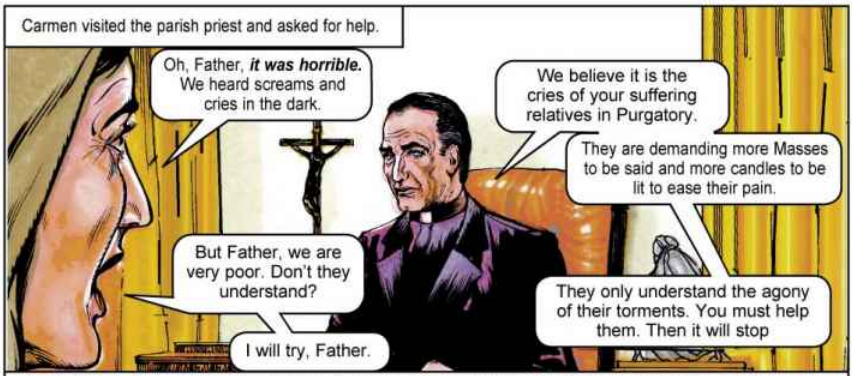
Carmen took her child to a shrine of the Virgin Mary and made a vow: if the Holy Virgin would heal her child, then Carmen would see to it that little Marguerita would become a nun in the Carmelite Order.

As she prayed to the statue of the Blessed Virgin,

a strange force came upon Marguerita. The seizures completely stopped. The doctors were amazed. Little Marguerita was cured! It was a miracle, and Carmen gave the glory to the Virgin Mary for healing her little girl.

Three years passed, and the time came for Carmen to keep her promise to the Virgin Mary.

Carmen visited the parish priest and asked for help.



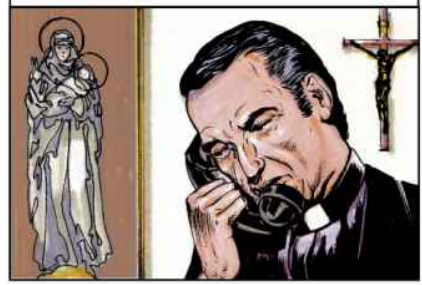
Oh, Father, *it was horrible.* We heard screams and cries in the dark.
We believe it is the cries of your suffering relatives in Purgatory.
They are demanding more Masses to be said and more candles to be lit to ease their pain.
But Father, we are very poor. Don't they understand?
They only understand the agony of their torments. You must help them. Then it will stop
I will try, Father.

More Masses were said, but it didn't stop. It got worse every night. The family was terrified. Except Marguerita, who would calmly sit in her room and say the rosary. Marguerita was studying to become a Carmelite novice."

The day Carmen put the new brown dress of a Carmelite novice on Marguerita to see if it fit properly, the Force hit with a fury. It was like a raging windstorm, ripping pictures off the wall.

The parish priest was under pressure. The Protestants in the village knew about Carmen Montez's problem. The priest desperately wanted a miracle to show the power of his 'church,' and to make the Protestants look weak and powerless.

He called our diocese for back-up. I promised to come and appeal to the souls of the dead from Purgatory to leave her house.



I prepared for the exorcism by consecrating the Host, by saying the proper Mass for this occasion.

Note: The host is a little round wafer that, according to the Roman Catholic teaching, magically turns into the Lord Jesus Christ when the Mass is said.

On the day of the exorcism, the fury of hell broke loose in the home of Carmen Montez. The Force was getting stronger and stronger.

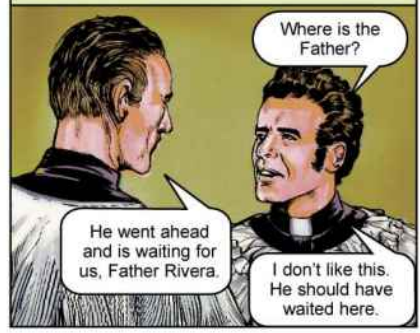
It was at that moment the local priest came to their front door. He had been instructed to wait for me because I was a Jesuit priest. He was to assist me in the exorcism. But because everybody was begging him to help, he had gone ahead without me.

The priest tried to open the door. It was stuck. When he let go of the handle, the door blasted open, and…

The Force sucked him through the doorway into the house.

The door slammed shut, and those outside heard the screams of their priest.

When I arrived at the village, instead of finding the priest, I was met by the sacristan (the priest's helper).



Ignatius de Loyola, while establishing his 'Jesuit Order', communed with the spirit world using his 'Spiritual Exercises'.

I was asked to help the local priest because as a Jesuit, I was well trained in the study of exorcism and the spirit realm.

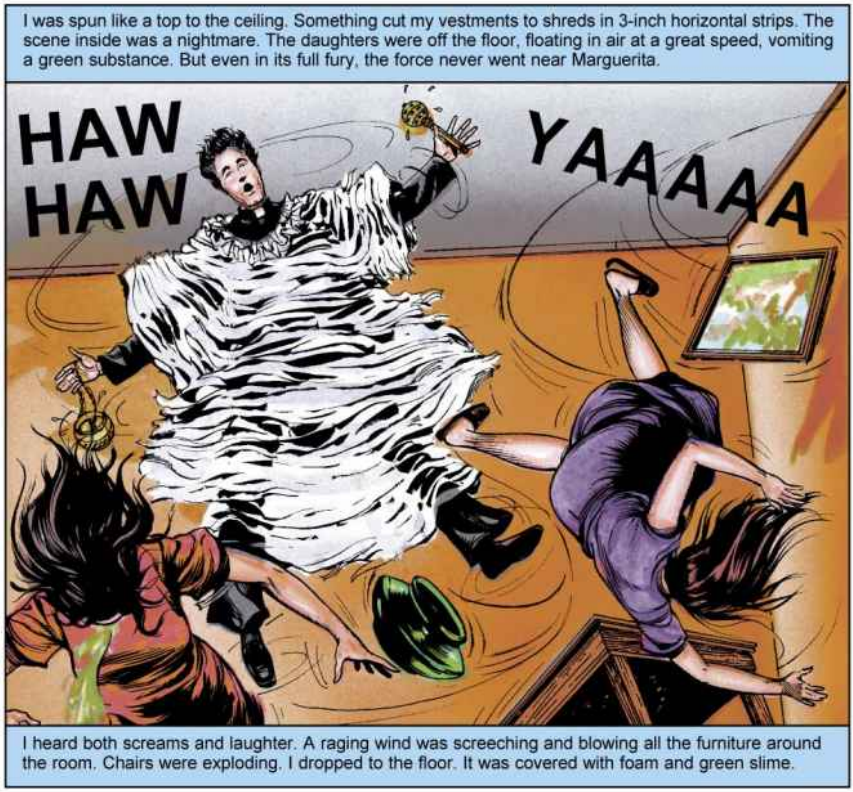
The procession started from the church to the home of Carmen Montez. When the people saw their wafer god being carried in the monstrance, all the traffic stopped in reverence. They knew that either someone had died, or it was for an exorcism.

The people got out of their cars and knelt, making the sign of the cross because they believed that Jesus Christ, Himself, was passing in front of them in the form of a little wafer. They were terrified of offending their wafer god, the priest, or their church.

Where is the priest?
He's inside, Father.
YAAAH!
Give me the holy water, quick!
God help us! Holy Mother!
We're going inside.
I'm afraid, Father!
I don't care! You follow me!
Father Rivera, look! The door is opening!
Eeeekk... It's the Father!
RRRRR
He's covered with blood! Is he dead?
Holy Mother of God!

He's dead. He's been cut to shreds. Like someone used a razor on him.
You can't go in!
I must!
You'll be killed!

An invisible force grabbed me in the doorway and pulled me into the house.
Look! It's got him!
O my God! He's gonna die too!
The people were terrified.



I was spun like a top to the ceiling. Something cut my vestments to shreds in 3-inch horizontal strips. The scene inside was a nightmare. The daughters were off the floor, floating in air at a great speed, vomiting a green substance. But even in its full fury, the force never went near Marguerita.
HAW HAW
YAAAAA
I heard both screams and laughter. A raging wind was screeching and blowing all the furniture around the room. Chairs were exploding. I dropped to the floor. It was covered with foam and green slime.

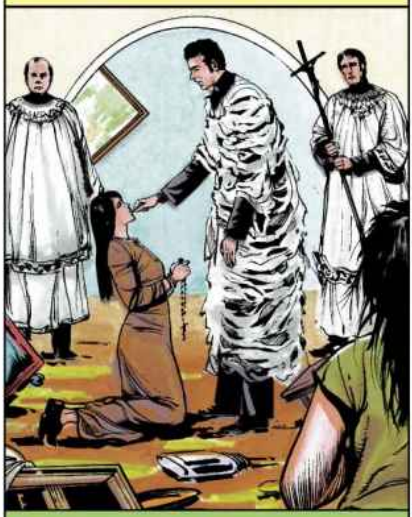
As I tried to bless the house with holy water, Marguerita's aunt suddenly screamed, 'Father, you have no crucifix!' She struggled across the floor, and grabbing a pair of scissors, formed a cross with them. The Force immediately moved into another room.

At that time, all those assisting me came through the front door. I grabbed the crucifix and started my Latin prayers.

As soon as I started praying, the girls dropped to the floor. The ear-splitting noise of screams and laughter continued.

I then took the host (the wafer god), and gave the first one to Marguerita because she was the center of all this activity.

Once all of them had taken the host, the voices slowly disappeared. The house was a shambles. At long last, the Force was gone.

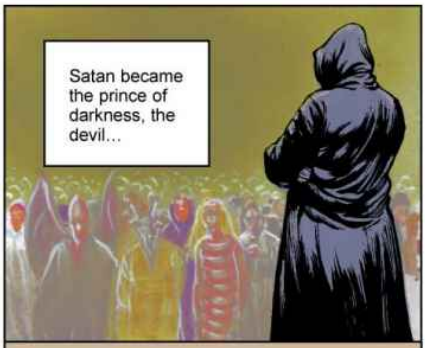


Were they really souls of the dead? No. They were demons.

Did the host and the crucifix really drive away the Force? No. It was all a devilishly clever scheme by Satan to make the people rely more and more on their priest for protection and it cost them their souls.

Why do Satan and his demons want the souls of men? We must go back in time to an incident that took place up in heaven. When Lucifer rebelled against God, one-third of the angels backed Lucifer in this attempted take-over. For them, it was a disastrous decision.

God threw them out of heaven, down to the planet, earth. God changed Lucifer's name to Satan, and the fallen angels became demons. God told them what their future would be. Because of their rebellion, their final home would be the lake of fire.



The demons became an army of spirits capable of taking different shapes and forms. They are cunning and intelligent, and they serve their master, Satan, with blind obedience.

In the beginning, God gave Adam control* over the entire world, and Satan hated Adam. When Adam rebelled against God, that control was transferred to Satan.

Satan now had legal and spiritual** control over the kingdoms of the earth. Satan commanded his demons to take over the minds and bodies of rebellious mankind.

*Gen. 1:28 (See also **King of Kings**, page 6)
**Luke 4:6

"...God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually." (Gen. 6:5) The whole world was involved in the occult and so God destroyed all flesh upon the earth by a great flood, except for Noah, who found favor with God.

No! As the drowning multitudes gasped out their last breaths, the demons departed from their bodies and followed the ark, waiting for new victims to be born.

God prepared hell (the lake of fire) for the devil and his angels. (Matt. 25:41) Satan knows this is where he will finally end up when Christ returns to take over this world at His second coming.

Satan, in his anger, intends to take as many people into hell with him as he possibly can, and this is how he is doing it.

Jesus calls Satan the father of liars (John 8:44). Satan plans on tricking mankind into going to hell 'with power and signs and lying wonders.'
(II Thessalonians 2:9) (Hebrews 2:14)

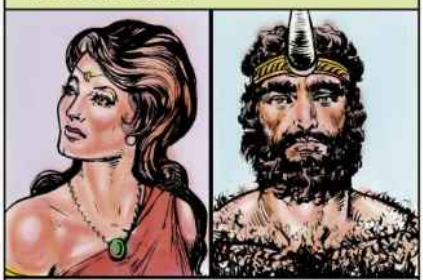
Satan knows Bible prophecy. He knew that one day God would take the form of flesh, and He would be born on this earth, and that His name would be Jesus.

Satan knew that Jesus would be born of a virgin, and die on a cross.

Because Jesus came to seek and save mankind from the lake of fire, Satan hates Him and is determined to destroy the work of God. So, Satan craftily set up his own **'Jesus,' 'another Gospel,'** and **'another Spirit'** to confuse mankind.

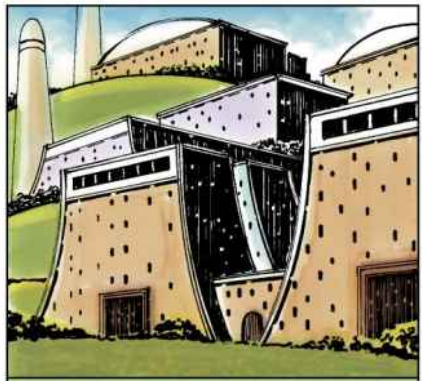
Satan decided to develop an occult religious system that would control the world – a system that people would believe in, would kill for, and even be willing to die for.

To introduce this satanic system to the world, he used two people.



Semiramis married Nimrod, and historically, he has been called **'the son, the husband of his mother.'***

***The Two Babylons,** by Hislop, page 43



The first city built after the flood was Babylon. Satan set up his headquarters here. Semiramis was the queen of Babylon, and Nimrod led the people into rebellion against God.

Satan set out immediately to lay the groundwork for his religious machine to combat the work of God. This monster would send billions of souls to hell.

How did Satan accomplish this, Dr. Rivera?

Through Semiramis. She was a beautiful and powerful witch, completely sold out to Satan. He gave her many ideas.

Semiramis capitalized on man's rebellion against God's laws of marriage. She promoted celibacy, which was a religious cover to hide adultery, fornication, homosexuality, sodomy, and lesbianism. This is where Roman Catholic celibacy comes from.*

This supposedly set the priests apart and made them holy. Just like today – they believed that the sacrament of the holy orders (celibacy) is higher than the sacrament of marriage (placing satanic traditions above God's decrees).**

The nuns were temple prostitutes, serving the priests – just like today. Then, they were called vestal virgins. Today, they are called **'the bride of Christ.'**

***The Two Babylons,** by Hislop, page 220
**I Timothy 4:1-3 (Doctrine of devils)

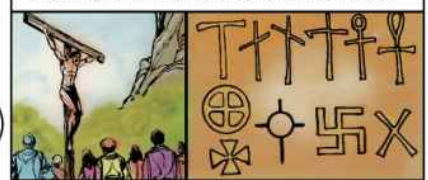
She designed the confessional to pry into the secrets of her followers.

I've done a horrible thing.

Tell me about it. You know you can trust me.

The people feared their priests. They were afraid of being blackmailed. Satan loved this idea. In the future, he would use the confessionals* to destroy nations.

Death by crucifixion was also one of her ideas.**



Crosses were originally designed as occult symbols to be worshipped both in ancient Babylon and Egypt.

Nimrod was a master warlock (male witch). Under his direction, astrology was developed. He also laid the groundwork for both white and black witchcraft.

He was called Moloch.*** Sacrifices to Moloch were not uncommon.

One of Noah's sons, Shem, was still living. He killed Nimrod to end these occult practices."

After Semiramis proclaimed that she was a goddess, she demanded that babies be sacrificed to her.

The sign of the cross was cut into the baby's chest, and the heart removed.

This would please Semiramis and, in turn, make peace with their god, Nimrod.

Semiramis was the embodiment of evil.

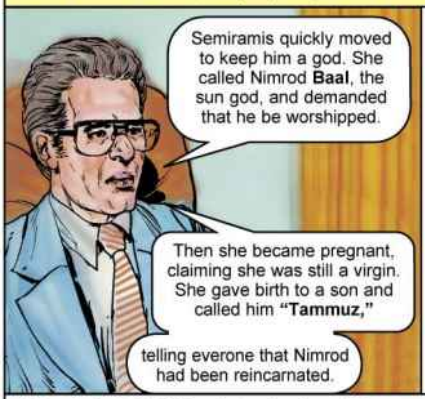
*****The Two Babylons,** by Hislop, page 315; Lev. 18:21

When Nimrod was killed, the people wept. Their hero was dead. Satan used Nimrod's death to his advantage.



Semiramis quickly moved to keep him a god. She called Nimrod **Baal**, the sun god, and demanded that he be worshipped.
Then she became pregnant, claiming she was still a virgin. She gave birth to a son and called him **"Tammuz,"**
telling everone that Nimrod had been reincarnated.

Semiramis claimed to be the **'spirit of god**, incarnate in a human mother.'* Her symbol was the moon.

She was **'the virgin mother,'**** and soon statues of her holding the little sun god appeared everywhere. She claimed he was their savior.

*__The Two Babylons__, by Hislop, page 19
**Ibid, page 76

This would be used by Satan in the future, to deceive millions. He was getting ready for the coming of Jesus.

The stories told of Nimrod, Semiramis and Tammuz spread across the world. The fables became popular in mythology. Gods and goddesses were dreamed up, all based on these people. They became **'the holy family.'**

Semiramis became known as **'the queen of heaven!'** To deceive the world with lying wonders, Satan used **'the force'** from time to time throughout history by having demons form an image of Semiramis, appearing in different locations and in various shapes. These phenomena became **'miracles.'**

Satan set it up according to race: Japanese, Caucasian, Hindu, Black and Hispanic.

This is reincarnation in its fullness, and it is demonic.

Each country has its own patron saint or virgin.
See Rev. 18:2-3

Has Satan the power to make a statue move or speak?

Yes, he's done it in the past, and he'll do it in the future. These miracles will deceive the people and destroy their souls forever.

Rev. 13:15
Rev. 16:13-14

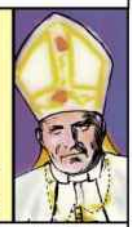
These visions and apparitions have appeared in the pagan religions and in Roman Catholicism under the names of **Venus, Diana, Isis, the Madonna, Our Lady of Guadalupe, Our Lady of Fatima,** etc. As the time approaches for the second coming of Jesus, these **'miracles'** will gain momentum. Even in the past, Jews worshipped the queen of heaven.* *Jer. 7:17-20

The **'vision of Fatima'** is a powerful political trick set up by the Vatican.
A prophecy is involved where the virgin Mary tells her followers that if they pray for peace, Russia will be converted to Roman Catholicism.
The Vatican* feels the United States is finished as a world power, and has already jumped politically to support Marxism...

The Vatican is in the process of renewing an old concordat with Moscow, and is pushing a new brand of Marxism* that is expected to sweep the world.

That's why they elected a communist pope on the 16th of October, 1978. His name is Pope John Paul II.

*Liberation Theology and social gospel.



Watch the big play in the media to push 'Fatima' from now on. Also watch how Roman Catholics in this country will follow the pope. They are already pushing disarmament and gun control** for the take-over."

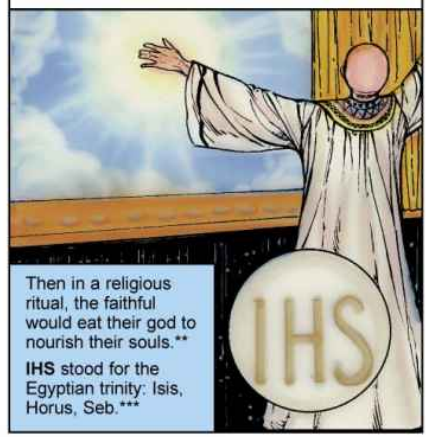
**Our Sunday Visitor, Jan. 24, 1982

In the Old Testament of the Bible, God raised up a nation of people to be a light to those in Satan's dark world. These people were to represent Him. They were called the children of Israel.

God allowed them to be slaves in Egypt for 400 years. During this time, '... they built for Pharoah treasure cities, Pithom and Raamses.' (Exodus 1:11)

The religion of Semiramis and Nimrod spread into Egypt. Soon sun worship became the religion of the land. The gods of Babylon were given Egyptian names.*

The Egyptian temple priests practiced transubstantiation. They claimed to have magical powers which enabled them to change their great sun god, Osiris, into a wafer.



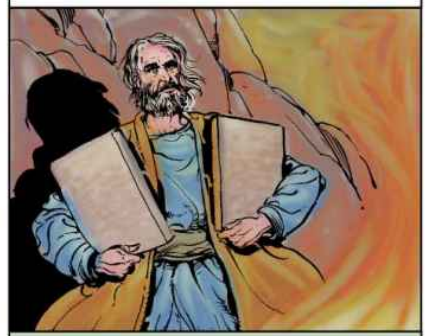
Then in a religious ritual, the faithful would eat their god to nourish their souls.**

IHS stood for the Egyptian trinity: Isis, Horus, Seb.***

The Lord God raised up Moses to lead the children of Israel out of Egypt and away from this deadly occult religion.

When Pharoah refused to release the children of Israel, God hit Egypt with plagues.† He performed many miracles to help them escape. God parted the Red Sea. When the children of Israel had passed through safely, the sea closed and Pharoah's armies were destroyed.

God gave Moses the Ten Commandments on Mt. Sinai. His first commandment was, 'Thou shalt have no other gods before me.'



"Thou shalt not make unto thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them nor serve them: for I the Lord thy God am a jealous God..." (Exodus 20:3,4,5a)

The Lord God knows that behind every religious object that people pray to, adore or worship, stands a demon ready to receive the worship of man.

†__King of Kings__ (Illustrated Bible stories), published by Chick Publications, Inc.

When Moses died, the children of Israel had been in the desert for 40 years. God chose Joshua to lead them into Canaan, the promised land.

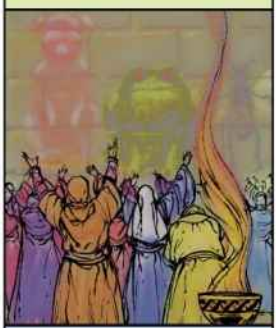
The inhabitants of Canaan were deeply involved in the occult. God ordered Joshua to take the land and destroy its inhabitants.

The satanic corruption of Babylon had spread to Canaan, and with it came 'the Force.' One of their gods was called Molech (another name for Nimrod). Babies were sacrificed to him by being thrown into fire.

As wars continued, the children of Israel got tired of fighting. They gave up, and started to intermingle with the inhabitants of the land. They began to serve other gods.

Because of their rebellion, the Lord God allowed them to be captured, put into bondage, and suffer until they repented of their sins. Then God would raise up a leader to save them.

God revealed to His prophet, Ezekiel, three abominations that the children of Israel were committing in secret.



God revealed 70 elders of Israel in a dark room with incense, worshipping images of unclean creatures and idols of every sort. It was a secret society, similar to Masonry. (Ezekiel 8:10-12)

God showed Ezekiel another abomination:

'Then he brought me to the door of the gate of the Lord's house which was toward the north, and behold, there sat women weeping for Tammuz.' (Nimrod) (Ezekiel 8:14)

Third abomination:
'And he brought me into the inner court of the Lord's house, and, behold, at the door of the temple of the Lord, between the porch and the altar…

… were about five and twenty men, with their backs toward the temple of the Lord, and their faces toward the east; and they worshipped the sun toward the east.' (Ezekiel 8:16)
(This is Baal worship.)

Israel was in rebellion against God, but in public, they acted very religious and holy.

The children of Israel hated the prophets because they preached repentance.
And they killed many of the prophets in open rebellion.

After the book of Malachi was written, God remained silent for 400 years.

The Jewish priests prepared sacrifices according to the Law of Moses. But their hearts weren't in it. It had become religious show business.

Corrupted by the occult, Israel's religious leaders started pushing the people farther away from God. They became very powerful. The people were becoming slaves to their religious system, just like in the time of Semiramis.

Satan inspired the writings of the Apocrypha, which is a series of counterfeit 'holy books' he invented to destroy the Bible… they were approved by the Roman Catholic Council of Trent in the 1546 sessions as inspired by God.

Among the group of men chosen by King James to translate the King James Bible in 1611, was a heavy concentration of undercover Jesuits posing as members of the Church of England. God, in His sovereign grace, preserved His written word, and they were not able to change it as they had planned. However, through their influence, the ungodly Apocrypha was forced into the original King James Version. When this conspiracy was discovered by the true Christians, they rejected the Apocrypha and removed this heresy from their Protestant Bible. Today, there is a reprinted edition of the 1611 version carrying the ungodly Apocrypha (thanks to the Jesuits).

Satan was busy during this time, inspiring religious views that would soon become

LITURGY — (Dazzling religious ceremonies designed to impress the people into believing their religious leaders were holy.)

CANON LAW — (A bunch of religious rules — the commandments of men. (See Matt. 15:9 and Mark 7:7.)

DOGMA — "Truth" (according to the guy running the show.)

The Vatican is deadly serious about liturgy, canon law and dogma. Catholics today have been given temporary permission to express their own opinions to gain favor within ecumenical and charismatic movements. But anyone who opposes or changes the substance or the basic teachings involved is damned forever.

After 400 years of silence, God moved! He left heaven and was born on this planet in the form of flesh. Satan's deadliest enemy had arrived. His name was Jesus!

The Bible tells us that the Holy Ghost came upon the virgin, Mary. The power of the Highest overshadowed* her, and she conceived and brought forth the Creator of the universe** in the form of flesh, and they called His name Jesus.

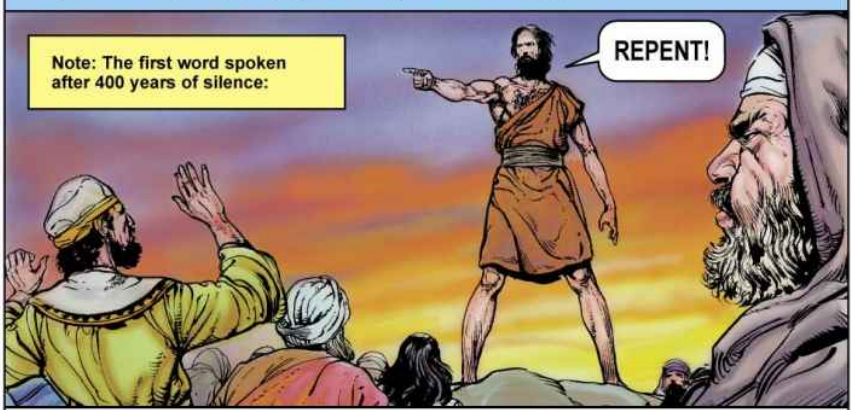
The Bible says her husband, Joseph, 'knew her not,'*** meaning he didn't touch her sexually **until after** the Baby was born.

After that, Joseph and Mary had other children.† They were Jesus' half-brothers and half-sisters. Two of His half-brothers wrote two books of the Bible: the Book of James and the Book of Jude.

Jesus knew Satan would try to make Mary a goddess. In Scripture, He never called her 'mother.' He only called her by the title, 'woman,' to protect her.

Poor Mary. She never dreamed that in the centuries to follow, millions would be murdered in her name and that Satan would tie her with Semiramis and call her the 'Queen of Heaven.'

After Jesus was born, God sent His last prophet to the children of Israel. He was John the Baptist. His mission was to prepare the way for Israel's Messiah.

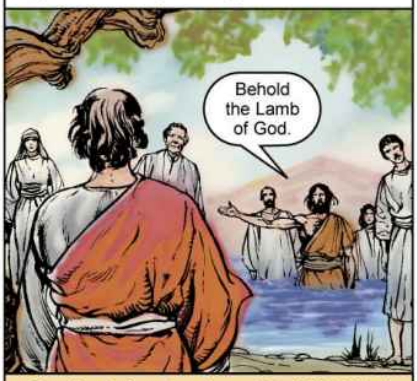


Repent means to stop running your own life, ask God to forgive the way you've messed up by sinning, be truly sorry, stop sinning, and start obeying God.

John blasted the religious leaders because they served Satan instead of God. He called them 'snakes.' John pulled no punches… and it cost him his life.

*Luke 1:35 **John 1:10 ***Matt. 1:25 †Matt. 13:55-56; Matt. 12:46-47; John 2:12; Gal. 1:19 Also see **King of Kings**, published by Chick Publications, Inc.

When John introduced Jesus as the **'Lamb of God'** and baptized Him, the world was given the most priceless gift of all time.



Standing before Israel was **'God Almighty,' 'Jehovah,'** the **'Creator of this planet,'** in the form of flesh… and they didn't recognize Him.

But Satan and his demonic angels did.

Satan tried to have Jesus killed as a baby by sending King Herod's troops to Bethlehem to slaughter all the little children two years old and younger. (Matt. 2:16)

When Jesus fasted for 40 days and nights in the wilderness, Satan tried to get Jesus to commit suicide. (Matt. 4:6)

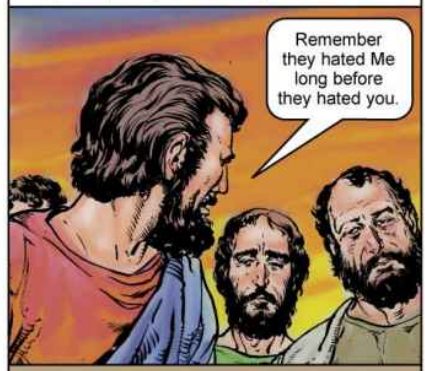
Satan is a master murderer.

Jesus never had dialog with Satan. He simply answered him with Scriptures. Jesus never had dialog with the religious leaders who Satan used to attack Him. Jesus always confronted them straight on. That should be a lesson to Christians. Jesus said He came to bring a sword, not peace. (Matt. 10:34)

Jesus exposed the Pharisees and Sadducees, and called them children of the devil because Satan was using these men to pull the multitudes into hell.

But when it came to a woman caught in the act of adultery, Jesus showed mercy. He taught them love without compromise.

Jesus warned His followers that they also would be hated, that they would be put in prison, tortured and put to death.



There is a price to pay for loyalty to Christ. 'Yea, and all that will live godly in Christ Jesus shall suffer persecution.' (II Tim. 3:12)

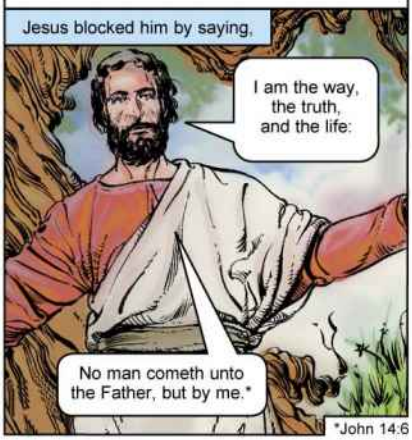
A very interesting note:
The first word Jesus used in His public ministry was the same one that John the Baptist used… **Repent!*** (Notice, today it is hardly ever preached in the pulpits. Thanks to **'the Force.'**)

*Matt. 4:17

Jesus knew Satan had set up **'the Force'** to destroy mankind. Knowing this, Jesus spoke more about hell than anyone else in the Bible.

Satan, by using **'the Force,'** tricked the multitudes into believing that there were many ways to get into heaven.

Jesus blocked him by saying,



*John 14:6

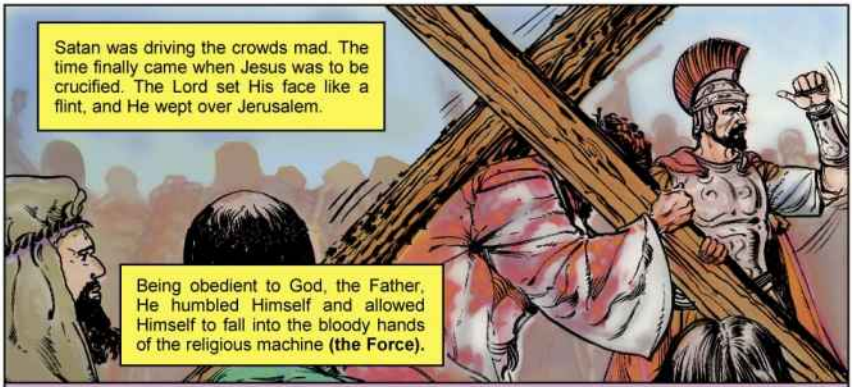
Jesus began building His church with His apostles.

The people loved His miracles, but hated His teaching.

Thousands listened to Him and followed Him to be fed, but when it was all over, the Bible said only 120 meant business.

The Bible says many are called, but few are chosen. When persecution comes, most of the 'faithful' take off. Only the true ones make a stand.

Jesus is not a weak fairy like so many would like to picture Him. He had guts and strength, with love for the lost sheep of Israel. No man in his right mind would take on the religious machine... but Jesus was no ordinary man. He didn't pull any punches, and they hated Him because of that. Satan was like a mad general, throwing every type of attack against Jesus that he could dream up.

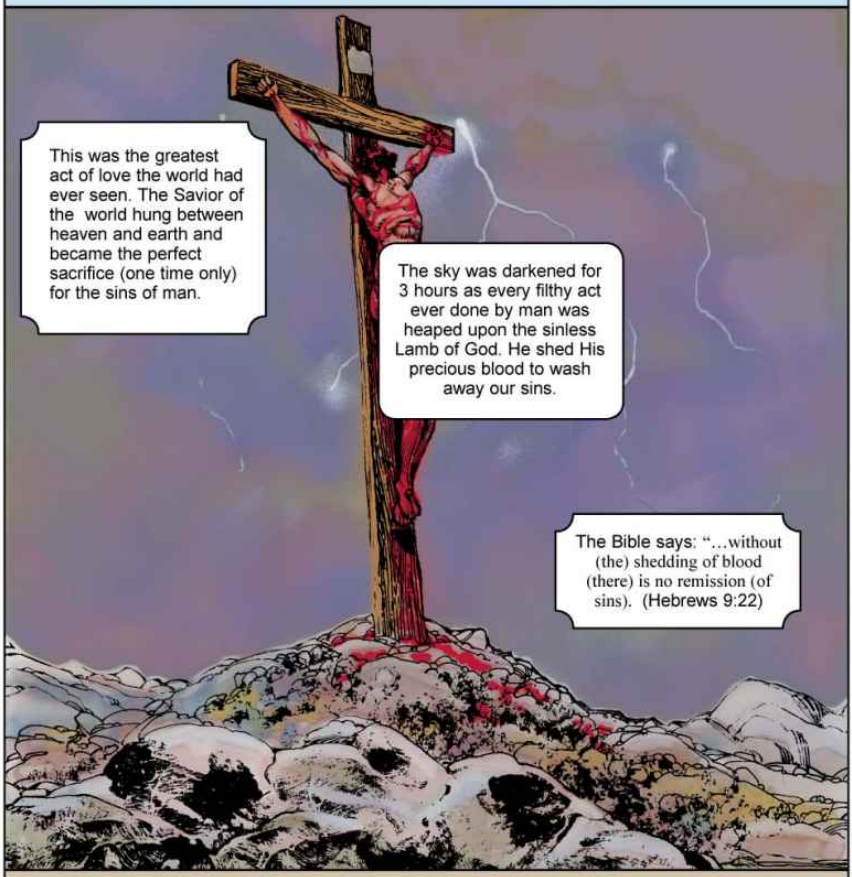


Satan was driving the crowds mad. The time finally came when Jesus was to be crucified. The Lord set His face like a flint, and He wept over Jerusalem.
Being obedient to God, the Father, He humbled Himself and allowed Himself to fall into the bloody hands of the religious machine **(the Force).**

The trial was rigged. They beat Him and took Him out of the city to be given a criminal's death. Because there was an additional Sabbath called a 'High Day,' the week Jesus was crucified (John 19:31), He died on Wednesday to fulfill His own prophecy.

"The certain of the scribes and of the Pharisees answered saying, Master, we would see a sign from thee. But he answered and said unto them, an evil and adulterous generation seeketh after a sign and there shall no sign be given to it, but the sign of the prophet Jonas: for as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth." (Matt. 12:38-40)

The instrument of death was the cross, originally designed by Semiramis in honor of Tammuz. It was originally shaped like a '**T**,' but as time passed, it became more sophisticated. In the Roman system, the victim was crucified on the cross, not only to punish him for his crime, but it was also considered a sacrifice to their pagan gods. The cross, as a symbol, was never Christian. When the Bible speaks of the cross, it always refers to Christ's sacrifice for sins, not the cross itself.



This was the greatest act of love the world had ever seen. The Savior of the world hung between heaven and earth and became the perfect sacrifice (one time only) for the sins of man.
The sky was darkened for 3 hours as every filthy act ever done by man was heaped upon the sinless Lamb of God. He shed His precious blood to wash away our sins.
The Bible says: "…without (the) shedding of blood (there) is no remission (of sins). (Hebrews 9:22)

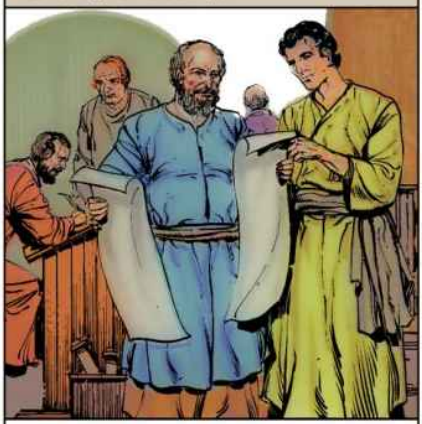
When Jesus said, 'It is finished,' He broke Satan's power. He ushered in the New Testament. Jesus died and was buried, and on the third day, He arose from the dead. This was the perfect sacrifice. But the Jewish sacrifices continued for over 32 years, until the temple was destroyed in 70 A.D. as a fulfillment of God's prophecy, to stop this blasphemy. But Satan cooked up a way to bring it back. It is called 'the Mass,' which Satan uses to show Christ as a continually dying Savior, or **'a dead Christ.'***

After Jesus Christ arose from the dead, he went back up to heaven. As He had promised, the Holy Spirit came to fill the believers in Christ (John 14:16,17). This gave them power from on high to stand against **'the Force'** and to preach the good news that Christ died for our sins to free us from Satan's death hold. Satan was horrified!

*See pg. 29, and **Are Roman Catholics Christians?** by Chick Publications.

As Christ was building His church to take His followers to be with Him in heaven, Satan was busy preparing his phoney Christian church to take his followers to be with him in hell.

In Antioch, Syria, believers in Christ were busy protecting the Scriptures, making exact copies of the original manuscripts.



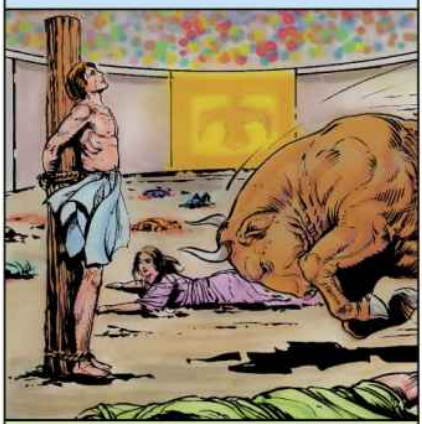
They loved and honored the Word of God.

At the same time, 'the **Force'** was busy in Alexandria, Egypt altering Scriptures to play down the deity of Christ.

Satan was coming up with his own Bible, later to be known as the Latin Vulgate.

See **Which Bible?** by David Otis Fuller, D.D., pg. 190-193. Also see **Sabotage** by Chick Publications, pg. 18-19.

Persecutions, under Satan's command, hit the early believers in Christ.



Instead of destroying them, they became stronger and grew in numbers.

'The Force' was ruling over Rome, using the pagan Roman Caesars to slaughter the followers of Christ.

The time was getting close for Satan to give the world his own version of a 'Christian' church.

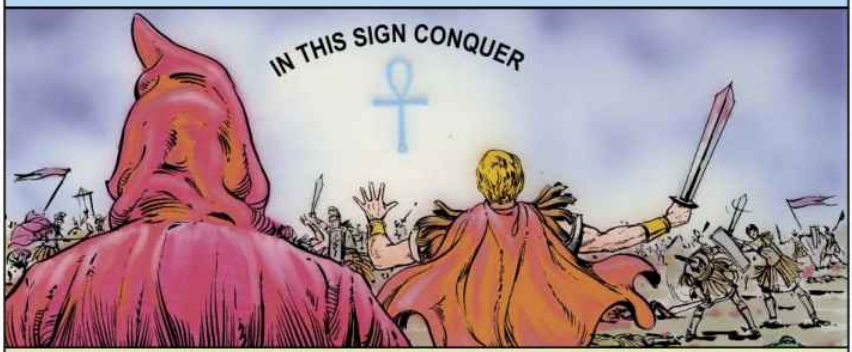
Paganism was about to get a new face.

The man Satan used to create this religious monster was Constantine.

When the emperor of Rome died, two men claimed the throne: Constantine, and another Roman general named Maxentius.

Let's look into the private life of the man that Satan set up as the first pope.

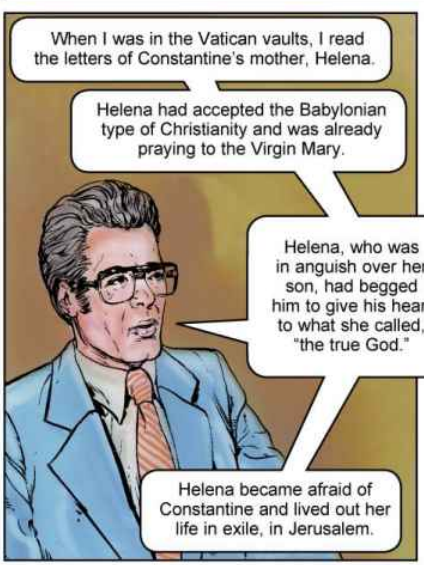
In 312 A.D., Constantine's army faced his enemy, Maxentius, who stood between him and the throne of the Roman Empire.



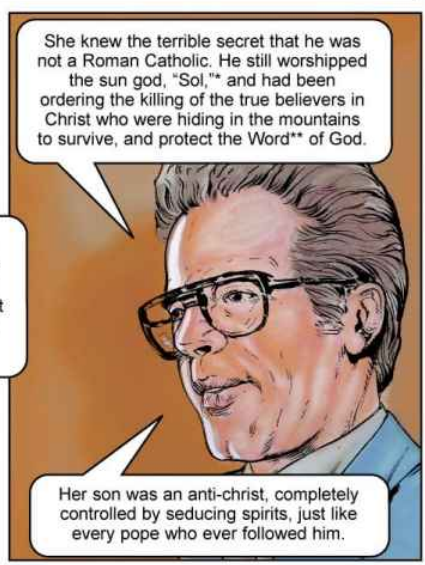
It was during this battle that Satan seduced Constantine and gave him a vision in the heavens showing the sign of the cross and the words, 'In this sign conquer.' (I Timothy 4:1) Constantine's troops were backed by an army of satanic forces helping him to defeat his enemy.*

***Sabotage?**, page 19, Chick Publications, Inc.

As a result of this battle, Constantine claimed that his conversion to Christianity had taken place. He publicly issued his Edict of Toleration in 313 A.D. and supposedly stopped the persecution of Christians, and brought peace. His job, under the direction of Satan, was to merge paganism with a perverted form of Christianity, which he did, and turned it into Roman Catholicism.



When I was in the Vatican vaults, I read the letters of Constantine's mother, Helena.
Helena had accepted the Babylonian type of Christianity and was already praying to the Virgin Mary.
Helena, who was in anguish over her son, had begged him to give his heart to what she called, "the true God."
Helena became afraid of Constantine and lived out her life in exile, in Jerusalem.



She knew the terrible secret that he was not a Roman Catholic. He still worshipped the sun god, "Sol,"* and had been ordering the killing of the true believers in Christ who were hiding in the mountains to survive, and protect the Word** of God.
Her son was an anti-christ, completely controlled by seducing spirits, just like every pope who ever followed him.

***"SOL"** was the Roman name for Nimrod, Tammuz, or Baal.

****See Sabotage?** (How Satan set up his own Bible), published by Chick Publications, Inc.

In 337 A.D., as his life was slipping away, Constantine was laid out in his royal robes and publicly baptized. He had refused to be baptized all his life, and it is suspected that by the time the water hit his forehead, he was already a corpse.

Immediately after, his senators and troops all submitted to baptism. It was a moment of triumph for the Roman Catholic system.

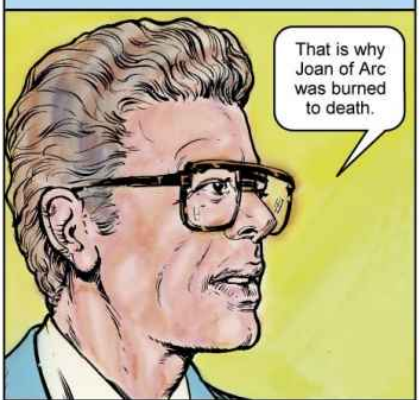
Satan's church was off and running. Anything in its way was destroyed. Roman Catholicism was a mixture of witchcraft, Judaism, paganism, and just enough perverted Christianity to make it appear respectable. (Gal. 1:6-10)

This religious machine controlled Europe. As it grew, so did witchcraft. The land was filled with hexes, spells, curses, soul travel, black Masses, sacrificial murders, and drinking of human blood.

Much of this went on in the convents and monasteries throughout Europe.

The names given high ranking demons were Pan, Bacchus, etc., all going back to Nimrod. The name, Diana, so respected by witches today, is no one else but Semiramis.

Witches were ordained and served the Vatican. History shows witches were put to death by the Roman Catholic institution, but those were renegade witches who were not subservient to the purposes of the Vatican.



Note: In the black Mass, witches sacrifice the victim to Lucifer, (or Satan). In the monasteries, the sacrifice was made to Mary."

Sitting on the throne in the Vatican was Nimrod's representative, pretending to be Jesus Christ. The word, '**anti-christ**,' means false Christ. Jesus taught us to love our enemies. The anti-christ's mission was to convert their enemies or slaughter them. Some of the true Christians hiding in the mountains were known as '**Anabaptists**,' who believed in the sovereign grace of God, the doctrine of **total** separation, and strongly opposed infant baptism.

Let's take a look at the road to Rome. For 30 miles,* there were posts leading to the holy city. On each post was the head of an Anabaptist.

The were called '**Anabaptists**' because they would re-baptize converted Roman Catholics, telling them that infant baptism was unscriptural.
They were hated for this.

The old whore of Revelation (the Roman Catholic institution) tells her children they are saved by works. The Anabaptists took the biblical position which states: 'For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast.' (Ephesians 2:8-9) And because they preached this, it cost them their heads.

Before the time of Martin Luther, the power of God fell on the Christians who were hiding up in the mountains.

Eight and ten-year old boys began preaching like the apostle Paul. They came into the cities, and the Roman Catholic priests were horrified.

Catholics were getting saved everywhere. It was a revival from God. Nothing like this had happened since Christ rose from the dead, when the early believers enthusiastically spread the gospel.

Immediately, these children were burned to death to try and stop this move of God.
How did you find out about this, Dr. Rivera?
I read it in the archives in the Vatican. Every detail had been recorded, but very carefully kept out of our history books.

As a result of this powerful revival, **'The Force'** started falling apart. Babylon was falling. Satan called his demons from all over the earth to marshall his forces (even in ancient Rome, the hill was called the **Vaticanus,** which means, in classical Latin… **'The Place of Divination.')** It had become the **habitations of devils.** (Rev. 18:2)

At this point in history, Satan raised up his champion, Ignatius de Loyola, to kill the spiritual awakening and all those who opposed the teachings of the Vatican.*

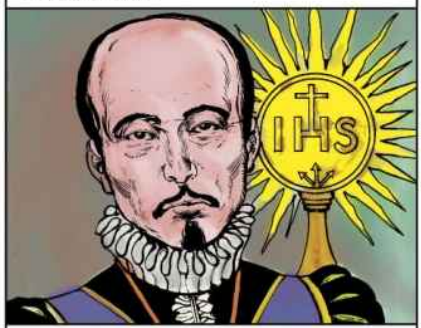
Jesus commands us to 'Love your enemies, bless them that curse you, do good to them that hate you…' (Matt. 5:44)

Revelation 6:5 Also see **Four Horsemen**, Crusaders 16, published by Chick Publications.

The 'Holy Office' had set the terrible inquisition into action. During its reign of terror, 68 million people were tortured and many were burned to death. The 'Holy Office' only changes the devices of torture and patterns of persecutions. It has never ceased to function.

During World War II, 6 million Jews were killed **'for the greater glory of God.'** (The system hasn't changed*) Even today, the 'Holy Office' is on the move as never before. Pope John Paul II has just ordered local tribunals to be set up in local Roman Catholic parishes, world wide.**

Loyola created the **Illuminati** (the Alumbrados), a satanic organization to control the minds of European leaders through hypnosis, witchcraft and mind control.



Loyola communed with the spirit world for advice in setting up this powerful and evil organization. The spirits were actually demons, controlled by Satan, illuminating his mind. Satan is called an angel of light. The Bible says: 'And no marvel: for Satan himself is transformed into an angel of light.' II Cor. 11:14

Loyola was arrested because of his strange activities by the Dominican monks who were running the Spanish inquisition. Thanks to Satan, he was freed from his inquisitors.

Ignatius de Loyola went before the pope and presented a concept for a new order of priests called the Society of Jesus (the Jesuits) whose purpose was to serve 'His Holiness.' The pope bought the idea, and Loyola became the first Jesuit general.

Through systematic meditation, prayer, contemplation, visualization and illumination, Loyola would go into a trance and ecstacy. He was even seen to levitate off the floor, as have many Jesuits completely under satanic power, including myself.

Loyola developed his 'Spiritual Exercises' to bring one to spiritual perfection.

This was to build his elite Jesuit order to follow him in blind obedience. Loyola built his concepts from ancient Greece, from the occult, and from sciences.

He wanted his priests to become the intelligentsia of the Roman Catholic religious orders.

Loyola utilized: 1. philosophy 2. metaphysics 3. logic 4. psychoanalysis 5. psychology 6. hypnosis 7. telepathy 8. parapsychology (scientific witchcraft) 9. psychiatry 10. psychotherapy. These are now called behavorial sciences.

Around 200 A.D., the Montanists (the first group of charismatic monks) spoke in tongues, made prophecies and experienced ecstacies.

Throughout history, they prepared the way for the mystics, Loyola and his Illuminati, and the Jesuit order to penetrate, infiltrate and destroy the true Bible-believing church.

"Transcendental Meditation" was used by the Montanists as their main discipline, by concentration and repeating the names of saints and a virgin (Cybele), the goddess mother of fertility (Semiramis) which became the Virgin Mary, or by reciting prayers of praise.

These unsaved men were attracting religious demons.

T.M. is a good example today, where a mantra is given which is actually the name of a powerful demon of India. Repeating the demon's name calls him, and eventually he possesses them and becomes their guide.

The Jesuits are secretly using the charismatic movement to push the techniques of the Montanists, the mystics, and Loyola's Spiritual Exercises,* as well as the behavioral sciences through groups...

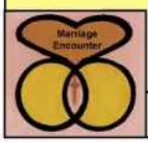
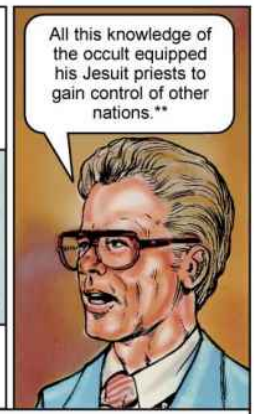
A SYMBOL USED BY THE JESUITS



Known as Cursillo, Marriage Encounter, De Colores, etc."



****The Secret History of the Jesuits,** by Edmond Paris, published by Chick Publications, Inc.

Once Ignatius de Loyola came into power in the Vatican, he placed his occult organization, **'The Illuminati'**, under the umbrella of the Roman Catholic institution. The Illuminati secretly became the most important branch of the Jesuit order.

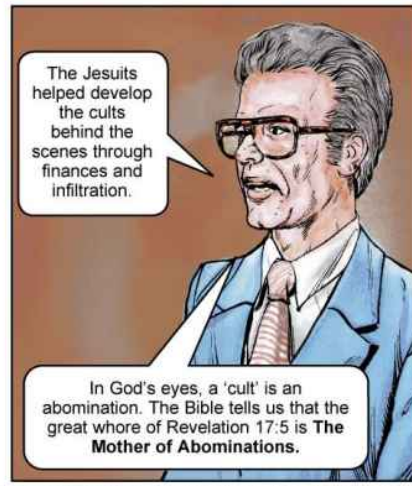
Loyola knew that eventually the Illuminati would be capable of controlling the world's economy, international banking, military forces, all branches of witchcraft, and the religions of the world, putting humanity on its knees to serve the pope.

No group of men ever went deeper into the occult than the Jesuits.

Their intense study of witchcraft and its branches took them closer and closer to Satan. They use Transcendental Meditiation* and all forms of Buddhaism.

Today, they work with witch doctors world-wide, selling them holy water.

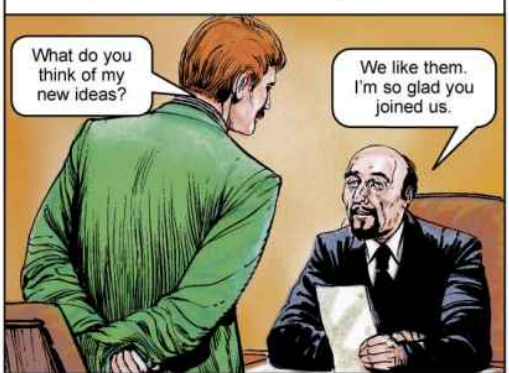
July 8, 1980, A.P. indicated Pope John Paul II does not object to voodoo-like African-based spirit cults which permeates Catholicism. He feels that once purified, these cults can help spread the gospel of Christ.



The Jesuits helped develop the cults behind the scenes through finances and infiltration.
In God's eyes, a 'cult' is an abomination. The Bible tells us that the great whore of Revelation 17:5 is **The Mother of Abominations.**

Any newly-formed religious body or secret society is immediately visited by Jesuits working undercover.

This new body is greatly influenced by these intelligent, charming visitors who help form and shape this new group.



They develop it to serve the interests of the Vatican.

Some of these groups are:

Freemasonry

Jehovah's Witnesses

Mormonism

Unity

Christian Science **Etc.**

These are **some** of the spiritual abominations spawned by the Jesuits. You can see the evidence of this in that these cults, as forms of Roman Catholicism and the Roman Catholic institution, have the same basic underlying pattern in their doctrines, religious practices and structure.

Interesting Note: When it was beginning to leak out that Loyola founded the Illuminati, the Jesuits used another faithful member by the name of Adam Weishaupt (under the Extreme Oath and Induction) to pretend to leave the Jesuit order and pretend to be originator of the Illuminati on May 1, 1776. This was done to make the world believe that there is no connection between the Illuminati and the Roman Catholic system.

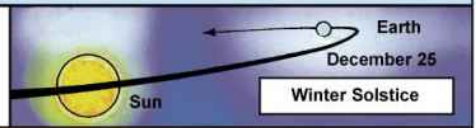
If the Vatican is so clever at tricking us, then what about Christmas?
Could it be a form of white witchcraft? Is it occult?

The Bible says: "Babylon hath been a golden cup in the Lord's hand, that made all the earth drunken: the nations have drunken of her wine: therefore the nations are mad." (Jeremiah 51:7) (Revelation 17:5)

The queen of Babylon (Semiramis) ordered the world to celebrate the birth of her son, 'Tammuz.' He of course, was the sun god, Baal, representing Satan. She set December 25th for Baal's birthday. Her astrologers told her that the sun is at its farthest point from the earth during the winter solstice.*

So they told the people that on the 21st of December the sun, or Baal, dies.

Then on the 24th of December, he starts coming back to life, and the 25th is his birthday.



As time passed, all over the world on the 25th of December, the sun was worshipped by these various names: Tammuz, Horus, Osiris, Sol, etc. It was a time for orgies, sacrificing of babies to Baal, drunkenness, and merriment. Semiramis ordered trees to be decorated with little balls representing the sun.

God fought this evil holiday by…

forbidding the Jews to decorate trees as the heathens were doing. (Jer. 10:1-4)

When the Mass was first said on midnight, December 24th, around the year 394 A.D., it was the Mass of Christ, or Christmas. The religious machine changed it from Baal's birthday to the birthday of Jesus. The pagans loved it. It became the biggest day of the year for the Roman Catholic institution.

It is a festive time of lights, songs, Christmas trees, gifts, but also suicides and despair for the homeless.

We see yule logs, parties, kids waiting for Santa Claus to leave them presents. We see the Virgin Mary and a little Baby, both with the sun around their heads.

Does the Bible instruct us to celebrate the birth of Christ? **No!** Neither Christ or the apostles ever taught this. There is no record that the early believers ever celebrated Christ's birth, much less 'Xmas.' This unbiblical practice was instituted by the Vatican to tie Christ to the Mass. Today, Protestants are pressured into observing this **Roman Catholic 'holy day.'**

*An occult high day

In the past, the great day for the Bible-believers was Thanksgiving Day. It was a time of thanksgiving to God for the new land He had given them. A day was set aside to celebrate their freedom from persecution and the yoke of Rome.

But now, Thanksgiving has been marred by the subject of the Salem witch trials. It always seems to come up on television about this time each year. The media calls it "that terrible blot on American Protestantatism." But let's take a closer look at what really happened.

There was a preacher in Salem by the name of Samual Parris. In his home was a house slave named Tituba, who was into voodoo and witchcraft.

Tituba introduced the young girls of the village into witchcraft and, as a result, they became demon-possessed. Some of the Christians soon became aware of their condition. In order to protect themselves and their secret, the young girls began publicly accusing other church members (whom they disliked) of casting spells.

The girls used their occult powers **(The Force)** to influence the people.

As a result of this madness, 23 Christians were unscripturally put to death... and the witches went scot-free.*

***The Devil in Massachusetts** by Marion Starkey, copyright 1949, Anchor Books, Doubleday & Co., Garden City, NY

Today the Church of Wicca and all its witches know what really happened in Salem, and laugh about it. And then, very self-righteously, cry before the television cameras...

They know that Christians died, instead of witches. But they make sure the public never finds out.

On TV we consistently see 'witches' put to death in Salem. But the networks are silent about the nearly 68 million victims of the horrible **'Spanish Inquisition.'**

This is how Satan successfully tainted our Thanksgiving Day.

Alberto, if the Vatican is the habitation of devils as described in Rev. 18:2, what chance does a Roman Catholic have of getting into heaven?

None, Tim.

You must realize this occult system has ***never*** been a Christian church!

Everything in it is imitation. Their God, their Jesus and Holy Spirit are not the ones found in the Bible. Let me explain.

When Jesus said, "Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God," (Mark 10:14) it showed His love for children.

The Roman priest tells the Catholic parents that baptism is absolutely necessary for salvation, and if the baby dies un-baptized, it cannot be admitted to glory.

Unknown to the parents, the ancient satanic ceremony of sacrificing the baby to Baal using oil and salt, will now be applied to their child, exposing this innocent baby to the demons of Babylon.

In the Sacrament of Baptism, the baby is not allowed to be exposed to their Roman Catholic 'Jesus.' What Jesus? I'm speaking of the cracker, or wafer, that the priest magically turned into Jesus during the Mass.

The wafer god (the Roman Catholic Jesus) is placed in the tabernacle on the altar of the 'church.' This is the Jesus the baby must not be exposed to, so it is baptized in the back of the church.

The priest claims he must exorcise the baby of demon forces to protect it.

The priest puts the mark of 'Tamuz' on the baby's head with oil (the sign of the cross).

Then he puts salt in the baby's mouth and the child is baptized with water.

The baby becomes a member of the great Babylonian religion of the Vatican.

At this point, the infant is supposed to be cleansed of original sin, and made a child of God and heir of heaven. The baby has been 'born again.'

But Alberto, the Bible says that only when someone believes in Christ are they to be baptized.

It's done to show their identification with the Lord Jesus and His death, burial, and resurrection. (Rom. 6:3-10; Acts 8:36-38)

Infant baptism isn't in the Bible.

I know, Tim, but that was Satan's invention to make them believe that they are on the way to heaven.

The indelible* mark on that baby's soul is satanic. It has received the mark of witchcraft.

And there is no hope for any Roman Catholic until he leaves that evil system.

Jesus hated it so much that He said in Revelation 18:4 to the precious Roman Catholics...

"Come out of her, my people, that ye be not partakers of her sins and that ye receive not of her plagues."

***A Practical Catholic Dictionary**, by Hanover House, Garden City, NY, page. 33

To hold the 800 million members of the 'Whore of Revelation' in spiritual bondage, Satan uses the Mass **(an imitation of the Lord's Supper).** This is called 'the sacrament of the Holy Eucharist.' This is the other 'Jesus' the Bible warns us about in II Corinthians 11:4.

This is called the 'Host.' It was, of course,

stolen from the Egyptians who turned a wafer into their sun god, 'Osiris.' That's why the 'Host' is in the shape of the Sun.

As you know, the letters on the Roman Catholic Host are the same as on the Egyptians' wafer, IHS, which stood for the Egyptian trinity, Isis, Horus and Seb.

The Whore changed it to the first three letters of the 'Holy Name of Jesus' in Greek. This symbol was chosen by the Jesuits as their badge.*

For the Roman Catholic ***not*** to participate in the sacrament of the Holy Eucharist is to be eternally damned.

The Catholics who eat this 'other Jesus' (II Cor. 11:4) in the shape of the sun, are not symbolically eating the Jesus of the Bible. They are eating **'Baal,'** the sun god, a symbol of Satan.

The habitation of devils (the Vatican) successfully threw an occult net over all its members.

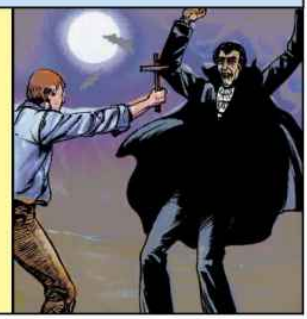
Roman Catholics are terrified of the words of Jesus when he orders them to 'come out of her, my people.' (Rev. 18:4)
Instead of believing the Bible and the words of Christ, they prefer to follow the teachings of the great Whore of Revelation 17…
who proudly claims… 'There is no salvation outside the church of Rome.'

There are two symbols used by this occult religious monster pretending to be the true Christian church. One is the **crucifix**, and it is the symbol of death. The other symbol is the **Eucharist.**

The cross was created by Semiramis, 'The Queen of Heaven,' in remembrance of her son, Tammuz (the sun god, Baal). On Tammuz' cross is an idol of a dead 'Jesus.' This religious object is adored and prayed to by Roman Catholics.

The crucifix is the real heart of the occult. In God's sight, it is a cursed thing. Deut. 7:26

Behind the crucifix are strong demonic forces giving out tremendous power, as depicted in the vampire movies."



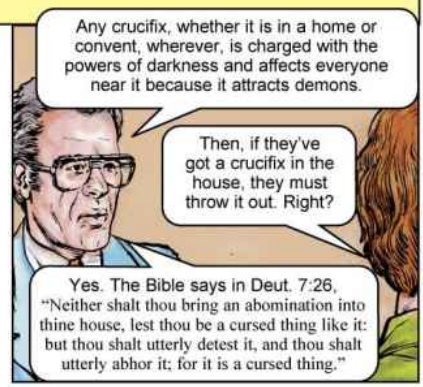
*A Practical Catholic Dictionary, page 117

When I was involved in the exorcisms with Carmen Montez facing the 'souls of the dead,' I was actually facing demons pretending to be the souls of the departed.

Jesus told us in Matthew 12:43-45 that if a demon is cast out of an unsaved person, it will return with seven others.

So it is to Satan's advantage for the occult force behind the crucifix to drive the weaker demons out of the Roman Catholic.

This prepares the way for him to be totally possessed by the Babylonian demons such as the 'Mother of God,' a demon with tremendous power to keep them in the Roman Catholic system.



Any crucifix, whether it is in a home or convent, wherever, is charged with the powers of darkness and affects everyone near it because it attracts demons.
Then, if they've got a crucifix in the house, they must throw it out. Right?
Yes. The Bible says in Deut. 7:26, "Neither shalt thou bring an abomination into thine house, lest thou be a cursed thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it; for it is a cursed thing."

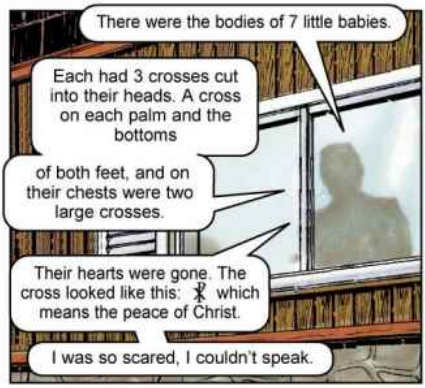
Tim, when I was 14 years old, our group from the Jesuit college visited the Salesian monastery in Las Palmas, one of the Canary Islands of Spain, to study how that order was run. They specialized in working with orphans.

My friends and I were running on the grounds, and one of them fell into a large open ditch...

about 6 feet deep, about 6 feet wide, and about 30 feet long. He hurt himself, so I jumped in to help.

I grabbed a long piece of wood to get us out, but it was stuck to a large roll of cotton, like a big blanket."

As I pulled the wood, the 'blanket' unrolled. And I froze at what I saw."

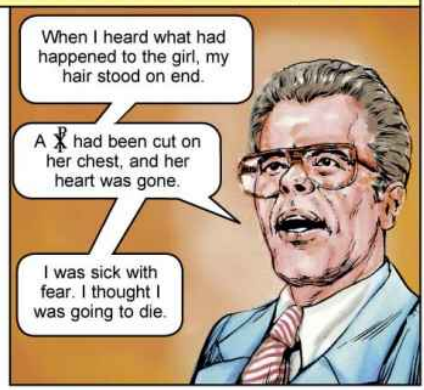


There were the bodies of 7 little babies.
Each had 3 crosses cut into their heads. A cross on each palm and the bottoms
of both feet, and on their chests were two large crosses.
Their hearts were gone. The cross looked like this: ☧ which means the peace of Christ.
I was so scared, I couldn't speak.

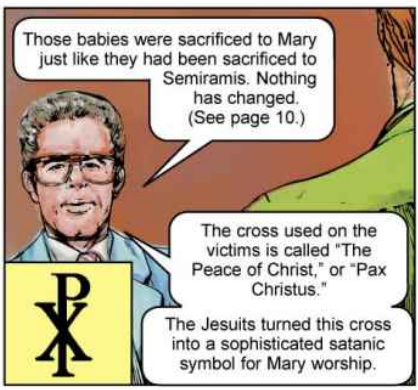
One of the boys who saw this made a disastrous mistake. He told his 13 year-old sister, who was attending a convent school, what he had seen. She went to the confessional and told her priest about it.

Not long after that, her body was found with both ears missing and her tongue cut out."

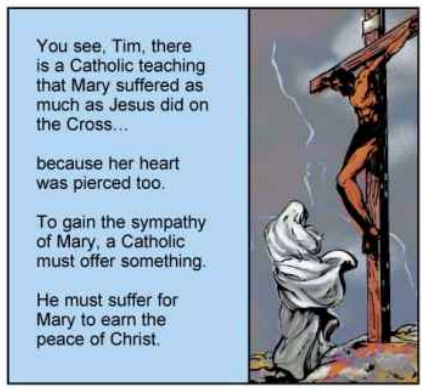
At about the same time, my friend mysteriously disappeared and was never seen again."



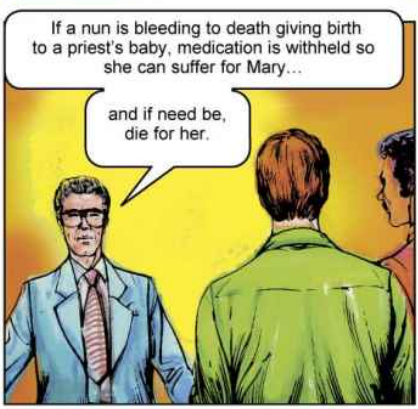
When I heard what had happened to the girl, my hair stood on end.
A ☧ had been cut on her chest, and her heart was gone.
I was sick with fear. I thought I was going to die.



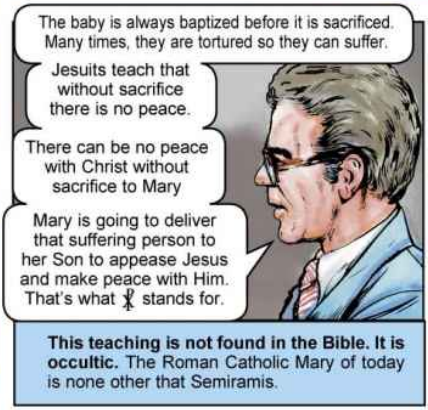
Those babies were sacrificed to Mary just like they had been sacrificed to Semiramis. Nothing has changed. (See page 10.)
The cross used on the victims is called "The Peace of Christ," or "Pax Christus."
The Jesuits turned this cross into a sophisticated satanic symbol for Mary worship.



You see, Tim, there is a Catholic teaching that Mary suffered as much as Jesus did on the Cross…
because her heart was pierced too.
To gain the sympathy of Mary, a Catholic must offer something.
He must suffer for Mary to earn the peace of Christ.



If a nun is bleeding to death giving birth to a priest's baby, medication is withheld so she can suffer for Mary…
and if need be, die for her.



The baby is always baptized before it is sacrificed. Many times, they are tortured so they can suffer.
Jesuits teach that without sacrifice there is no peace.
There can be no peace with Christ without sacrifice to Mary
Mary is going to deliver that suffering person to her Son to appease Jesus and make peace with Him. That's what ☧ stands for.

This teaching is not found in the Bible. It is occultic. The Roman Catholic Mary of today is none other that Semiramis.

In the last days before Jesus comes, Satan will use miracles to deceive the world. This will be done with seducing spirits and lying wonders. (Matt. 24:24)

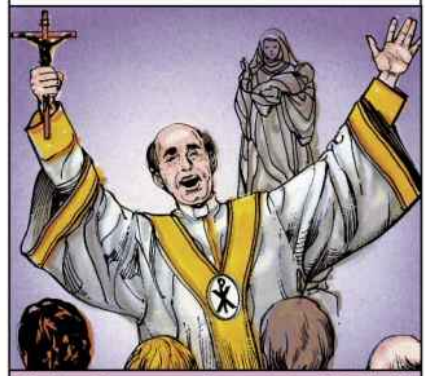
When I was still a Jesuit priest, I visited Lourdes in France. I saw a miracle take place. A man with a leg missing from his knee down, was placed in the water…

and with my own eyes, I saw his leg grow like a ball of flesh moving down until it formed a foot, with toes. He stood up and walked. And he gave all the glory to the Virgin Mary.

And the crowds went wild, not knowing that the spirits of devils can also work miracles.

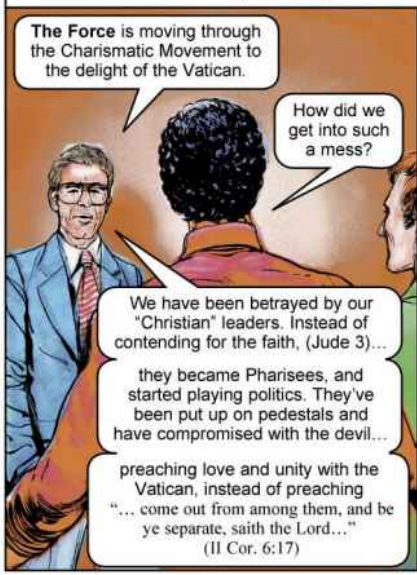
(Matt. 7:21-23) (Rev. 16:14)

Even among those claiming to be Bible believing fundamentalists or evangelicals, many are joining or supporting dialogue and unity with Rome.* **The Force** can be seen working through popular new priests holding healing meetings. *I John 2:18,19

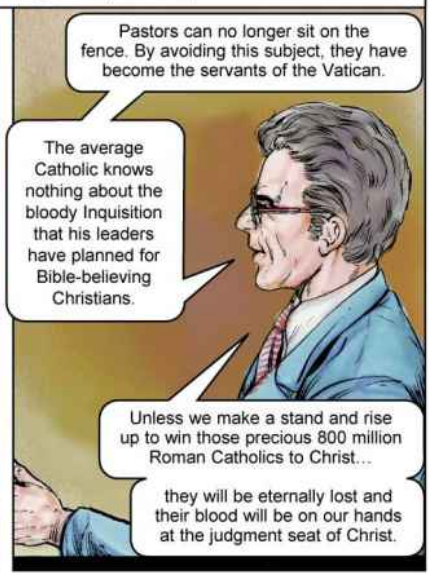


Charismatics swoon as these priests of Baal hold up the symbol of the occult (the crucifix) and 'healings' take place with an idol of Semiramis in the background holding the sun-god in her arms.

Jesus said: "For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect." (Matt. 24:24)



The Force is moving through the Charismatic Movement to the delight of the Vatican.
How did we get into such a mess?
We have been betrayed by our "Christian" leaders. Instead of contending for the faith, (Jude 3)…
they became Pharisees, and started playing politics. They've been put up on pedestals and have compromised with the devil…
preaching love and unity with the Vatican, instead of preaching "… come out from among them, and be ye separate, saith the Lord…" (II Cor. 6:17)



Pastors can no longer sit on the fence. By avoiding this subject, they have become the servants of the Vatican.
The average Catholic knows nothing about the bloody Inquisition that his leaders have planned for Bible-believing Christians.
Unless we make a stand and rise up to win those precious 800 million Roman Catholics to Christ…
they will be eternally lost and their blood will be on our hands at the judgment seat of Christ.

Satan has tricked almost everyone into believing that the Roman Catholic Institution is Christian. We found out that **their** "JESUS" is Tammuz, **their** "Mary" is Semiramis, the pope is an anti-christ, their "Host" was stolen from the Egyptians and represents the Sun God and the Catholic crucifix is the heart of the occult. The Bible tells us this system is the habitation of devils.

Jesus hates, and has cursed, this evil religion, and warns Catholics to get out of it.

"…Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues." (Rev. 18:4)

Only by coming out and trusting the Lord Jesus as their Saviour, can Roman Catholics be freed from this occult power and escape the lake of fire.

> Bible believers involved in the charismatic link with the BAAL worship of Rome must study this verse: "Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? (II Cor. 6:14-15)
>
> God says, **"Come out from among them."** (II Cor. 6:17)

There **is** power over this **force**. The Bible says, "Submit yourselves there to God. Resist the devil, and he will flee from you." (James 4:7)
Also see Luke 10:19-20 and Eph. 6:10-18.
